- No, do not have control over board appointments (provide details why):
  - No, don't have expertise
  - No, not a priority
  - **No, other (provide details):**
We do not have a formal selection policy, which would include aspects such as diversity and age, diversity and gender etc. Through the College Constitution, the Council does have restrictions applied, such as there has to be Uniting Church representation, current parents and a Collegian. Other committees, such as the Audit, Risk & Compliance, must have members with a financial background. Trustees of the Foundation Board must have a financial/legal/mediation/government background. We do have a selection strategy, however, in that the required skill sets for committees/Council are identified and then any identified gaps are filled. The Council has recently undertaken an Australian Institute of Company Directors (AICD) Governance Tool analysis and the Governance Committee has just completed a skill set analysis as a result of the AICD analysis. At the last Council meeting, the findings were discussed and gaps identified.

2.4 If your organisation, or any organisation you are reporting on, is a partnership please enter the total number of male and female EQUITY PARTNERS in the following table (if your managing partner is also an equity partner enter those details separately in the relevant row below). If you have a separate governing body/board of directors, please enter its composition in 2.1.
