MLC TEACHING STAFF 2022	16

Chair of Council

The unprecedented challenges and circumstances we faced in recent times due to COVID-19 undoubtedly changed the education landscape. In 2022 we welcomed staff, students and the community back to our campus full-time, with renewed vigour and an enhanced appreciation of the strength and connectedness of our community.

Throughout the years, we have kept our vision to be an international leader of holistic learning and teaching at the forefront of all that we do, supporting each student in whichever direction they choose. This was reflected in the results of the Class of 2022 and the many pathways the students took, both during their time as students at MLC, and as they graduated and moved beyond the school gates.

We also transitioned from the College being led by Dr Marie Perry after five years, to Acting Principal Mrs Jenny Ethell in Term 4 in preparation for welcoming incoming Principal Ms Rebecca Clarke for the start of the 2023 academic year.

Dr Perry will be remembered for her warm, welcoming nature, and genuine care for the wellbeing of all within the College community. Navigating the global pandemic with vigilance, we thank Marie for her reassurance and concern for the community during this unprecedented time. We acknowledge Marie's service, expertise, guidance and ongoing efforts to ensure a smooth and effective transition for our students and wider College community.

As a previous Deputy Principal at MLC, Jenny Ethell returned to our College as Acting Principal for Term 4. Jenny's enthusiasm and keen desire to ensure MLC continued to focus on individual care and enabling every girl to thrive was received positively by staff, students, and the community alike.

The Council farewelled outgoing members Diane Gander-Smith, Al Donald, Dan Minchin and Sinead Taylor. I thank all of them for their significant contributions of time and energy to the MLC Council. We welcomed Valerie Gould and Sarah Coleman to Council, both having a wealth of experience which will stand the Methodist Ladies' College Council in good stead in the future.

Finally, I would like to thank the College Council for their expertise and continued support in a year of much change, and for their continued focus on ensuring the College maintained continuity in providing a broad and balanced high-quality education for MLC students, consistent with the values and ethos of the College.

MR NICK HENRY

Chair of Council

“I would like to thank the College Council for their expertise and continued support in a year of much change.”

MLC Overview

2022 brought immense changes and growth for Methodist Ladies' College, as COVID-19 restrictions lifted, milestones were celebrated, and the College embraced major transitions in its leadership.

The year began with the theme, 'Empowered Women, Empower Women', set by Principal Dr Marie Perry. The theme was ever present in all aspects of College life throughout the year, as the community navigated many transitions with a focus on supporting one another. It was complemented by our College Prefect theme, 'Support with Strength to Shine', which encouraged students to strive for success through lifting each other up and leading by example.

These themes were reflected in the excellent results of the Class of 2022. The Year 12 students achieved a Median ATAR of 92.1 and 100% of students graduated from the College.

The Class of 2022 proved that even in a year of change and challenge, they had the strength to shine. Their accomplishments were not limited to their academic pursuits, but present in co-curricular activities and service-learning opportunities. Their contributions to College life are a reflection of MLC's focus to develop well-rounded individuals ready for life beyond the school gates.

With the lifting of COVID-19 restrictions came the return of College events and a chance for the community to come together once again. In one of the biggest events of the year, Methodist Ladies' College celebrated its 115th Anniversary. To mark the occasion, more than 600 parents and other community members attended the 115th Anniversary Sundowner, celebrating the College's rich history and heritage.

MLC excelled academically in 2022, partnering with The University of Western Australia as the State Chapter School for the annual da Vinci Decathlon. Held in Winthrop Hall, the competition brought together 40 schools and more than 1300 students for a three-day challenge across 10 academic disciplines. The MLC teams shone brightly, with students in Years 5 to 10 finishing with excellent results and a wealth of experience.

Later in the year, MLC partnered with BOP Industries to host the Innovation in Education Festival at the College. The Festival featured two days of panel discussions, guest speakers and interactive workshops with leading educators from across Australia. The event helped to position MLC as a leader in innovation in the education sector and paved the way for future initiatives.

Despite the changes and challenges faced in 2022, the sense of community within the College remained strong when the MLC Foundation Giving Day was held in November. The amazing generosity of the MLC community and matched donors meant the College raised more than \$337,000 and was able to offer not one, but two, MLC Foundation Community Scholarships. The MLC community proved that collective efforts have the power to positively change lives.

Creativity and culture shone bright at MLC in 2022, with the Year 12 Exhibition and Concerto Night event showcasing the incredible talent of our Music and Arts students. Concerto Night saw our dedicated musicians take the stage and the 2022 College production of *'Wendy and Peter Pan'* was a spectacular success. The MLC Choir were also invited to the International Women's Day Business News breakfast event, to perform 'I Still Call Australia Home' for Qantas Airways' CEO Alan Joyce.

The Outdoor and Environmental Education programs allowed students to explore our beautiful backyard, with several camps, including a Kimberley Wilderness Experience, and a Shark Bay Kayaking Expedition. It was also a successful year for Sport, as MLC athletes proudly represented the College in IGSSA and JIGSSA sporting events, including Swimming, Cross-Country and Athletics carnivals, as well as strong performances in IGSSA rowing.

The College welcomed upgrades to its facilities during 2022, with refurbishments to the science laboratories and tennis courts, while the Walter Shepherd Resource Centre celebrated its 50th Anniversary.

It was a transitional year for College leadership, as we farewelled many long-standing staff and welcomed fresh faces. In Boarding, we farewelled Deb Barraclough, and prepared to welcome Jodie Mellor as the new 2023 Director of Boarding at MLC. This transition was aided by the help of Assistant Director of Boarding Edwina Bone.

We also farewelled Rosemarie Dunn after years of service and welcomed Katy Moore as the new Deputy Principal for Years 7 to 12. Ms Moore is a passionate leader and educator, with a wealth of experience in all-girls' education and a passion to empower MLC Senior Years' students to strive for the heights.

In Term 4, we farewelled Dr Marie Perry as Principal of MLC. Dr Perry began at MLC as Principal in 2018 and has left a lasting legacy at the College, as her leadership was integral during the COVID-19 pandemic. We warmly welcomed Ms Rebecca Clarke, who visited the College on several occasions before travelling across the Nullabor with her family to commence her tenure as Principal at the beginning of 2023.

During this time of transition, we were ably led by Jenny Ethell, who was a wonderful addition to the College and helped to ensure the smooth transition between Dr Perry and Ms Clarke.

2022 taught us to embrace change and welcome growth. As we look to a new chapter of leadership and development in 2023, we do so with confidence and excitement for the future.

Foundation Report

The MLC Foundation continuously reflects upon our primary role to support Methodist Ladies' College in achieving its vision of becoming an international leader in holistic learning and teaching. In 2022, the MLC Foundation's priority was on connecting and building community, in response to the ongoing challenges that lockdowns and the global pandemic presented.

The values of the MLC community are reflected in the results of our Giving Day, the many need-based scholarships the Foundation supports, and the ongoing commitment we have to being a diverse and inclusive community. The MLC Foundation held its second Giving Day in 2022 to raise funds for the MLC Foundation Community Scholarship. \$339,437 was raised from 487 donations, which represents a 32% increase from the previous year. Because of its success, two needs-based scholarships were awarded to students for their education from years 7-12. Additionally, 11 students received Foundation supported scholarships in partnership with Yalari.

The appointment of new Director of Development, Kirstyn Johnson (Collegian '93) in May meant a renewed focus on strengthening ties with the Collegians' Association and connecting with our Collegians. As a girls' school, we acknowledge that the first step in bridging the gap between giving to girls' and boys' schools is ensuring that our alumni are connected to and celebrated by their school.

In 2022, the Foundation operated with only one subcommittee, with all others wound up and those skills amalgamated into the Board. The Development Committee's role remains to support the fundraising initiatives of the Development team and assist with the identification of key donors.

The MLC Foundation is proud to have distributed \$1.10m College over the past three years to support scholarships and building works. At the heart of our accomplishments lies the unwavering support of our donors and supporters. We extend our gratitude to all who have contributed, enabling us to create more opportunities for young women, which is so critical and effective in addressing global gender imbalance and creating a prosperous, peaceful and innovative society.

2022 was a year of transition in leadership for MLC, from Principal Dr Marie Perry to Acting Principal Mrs Jenny Ethell and the announcement of incoming Principal Ms Rebecca Clarke. On behalf of all at the Foundation, I would like to express my gratitude to Marie for her leadership of the College over the past five years, including through the difficulties of the pandemic, and to wish her the very best for the future. Equally we are delighted to welcome Rebecca and look forward to providing support to the vision she brings to MLC.

With Covid at our heels, the appointment of a new Principal, and a generous and connected extended community, the MLC Foundation is well placed to build upon our successes and make great strides in the coming years. Collectively, our efforts can be transformative and make a lasting impact.

JONATHAN CARAPETIS

MLC Foundation Chair

“Never doubt that a small group of thoughtful committed citizens can change the world: indeed, it's the only thing that ever has.” - Margaret Mead

OUR MOTTO

Per Ardua Ad Alta; through striving to the heights.

OUR VISION

An international leader of holistic learning and teaching.

OUR MISSION

Mentoring motivated learners to choose purposeful futures.

OUR VALUES

Integrity	<i>Seek truth</i>
Mastery	<i>Seek expertise</i>
Enterprise	<i>Seek resourcefulness</i>
Justice	<i>Seek fairness</i>

Our Students

MLC continues to provide an inclusive environment that enables students to achieve their personal best. The diverse programs of the College encourage problem solving, creative thinking and inquiry-based learning. This is reflected in the excellent results of the 115 Year 12 graduates in both the 2022 Western Australian Certificate of Education (WACE) and Vocational Education and Training (VET) courses.

WACE RESULTS

MLC Year 12 students achieved broadly across all areas of our holistic program, from core academic courses to co-curricular activities and service-learning opportunities. The diverse programs of the College encourage problem solving, creative thinking and inquiry-based learning.

- 91.2% completed four or more Year 12 Australian Tertiary Admission Rank (ATAR) courses.
- 99.12% of the students who were eligible under the School Curriculum and Standards Authority guidelines achieved their West Australian Certificate of Education.
- One Learning and Support Centre student graduated from the College.
- MLC ATAR Students achieved a median ATAR of 92.1.
- 11 students (11% of MLC ATAR students) attained an ATAR of 99 or above, placing them in the top 1% of students across WA.
- 59 students (57% of MLC ATAR students) attained an ATAR of 90 or above, placing them in the top 10% of students across WA.
- 95% of the ATAR students were eligible for entry into one of WA's five universities.

EXHIBITIONS AND AWARDS

- 3 General Exhibition
- 2 Subject Exhibitions
- 7 Certificates of Excellence
- 40 Certificates of Distinction
- 22 Certificates of Merit

MLC achieved “top-performing students” status in 18 WACE ATAR courses including:

- Accounting and Finance
- Chemistry
- Chinese Second Language
- Drama
- English
- English as an Additional Learning Dialect
- French Second Language
- Human Biology
- Literature
- Marine and Maritime Studies
- Mathematics Applications
- Mathematics Methods
- Mathematics Specialist
- Modern History
- Physics
- Politics and Law
- Psychology
- Visual Arts

VET Qualifications

32 students studied and completed 34 VET courses with external Registered Training Organisations. They attained:

Cultural Diversity

On the last day of the 2022 academic year, 981 girls representing 21 nationalities were enrolled at MLC, including 11 girls of Aboriginal or Torres Strait Islander descent. Nineteen languages other than English were spoken in the home.

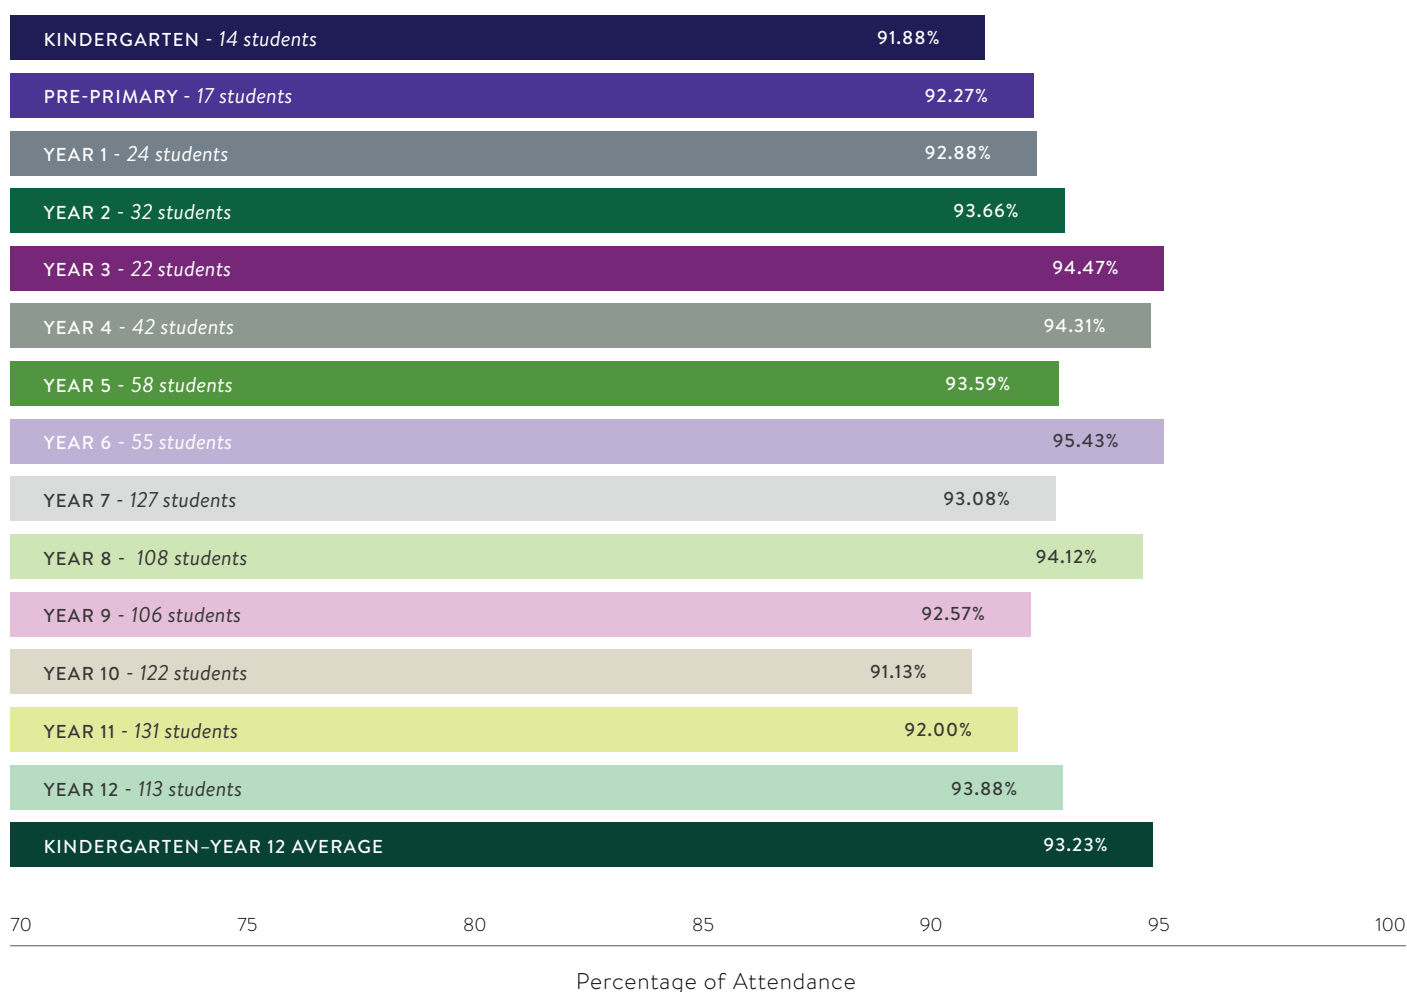

Enrolments

ENROLMENTS AS AT 3 DECEMBER 2022

Year Level	Day Girls	Boarders	Total
Pre-Primary to Year 6 enrolments	259	1	260
Years 7-12	666	55	721
Total			981
Total enrolments in the MLC Early Learning Centre			123

Important to note: Since the beginning of 2021, Kindergarten falls under the governance of the Early Learning Centre (ELC) and Kindergarten numbers count towards ELC enrolments rather than MLC enrolments.

Our People

MLC is committed to attracting and retaining well qualified and experienced professional and teaching staff to all positions across the College, and promotes ongoing professional and personal development at all levels.

All teaching staff are members of the Teachers Registration Board of Western Australia (TRBWA). They have tertiary qualifications in Education, and many hold postgraduate qualifications including

Diplomas, Masters and Doctoral degrees. Many Operations staff also hold tertiary and postgraduate qualifications in their field of expertise, whilst others possess technical qualifications and trades certifications.
